Dear Mr. Dietrich,

As we have discussed, the Environmental Protection Agency (EPA) has prepared a draft workplan for an investigation at the Pasco Sanitary Landfill. The draft workplan is enclosed for your review and comment. Copies have been sent to John Zillich, JUB Engineers, as per your request.

I look forward to meeting with you or your representative on May 8, at 1 p.m. in the Pasco County Courthouse. At that time we will address the technical aspects of the investigation, community relations during the investigation, scheduling of on-site work, and any other issues you would like to discuss.

Thank you for your cooperation in this matter.

Sincerely,

Lori Cohen
